Jenna Elfman has a new hit TV show, Accidentally On Purpose. Kt Giftings says congratulations to both the show and the baby news by sending her some amazing must-haves from 4 Mom-Owned Companies.

Mickleton, NJ The product placement experts at Kt Steppers, LLC were thrilled to introduce their gifting department (Kt Giftings) to Jenna Elfman of the new hit TV Show Accidentally On Purpose. She is a quirky, fun-loving mom of 2 year old son Story and soon to portray her off-screen role on TV. Kt Giftings' group of mom-preneurs wanted to present her and the soon to be big brother with some memorable and useful gifts for the upcoming occasion.

All of the products gifted are some of the coolest, most innovative and trendiest products for moms, babies and toddlers that were developed and designed by moms and dads who know what is essential as a parent.

"We were very excited to put together a special gifting for Jenna" said Katie O'Neill, Owner & President of Kt Steppers, LLC. She continues "Accidentally On Purpose was a hit from the first episode, how could it not be with her (Elfman) being the starring role. She loves being a mom to Story and will now get to play that role on TV. Me and my fellow 'mom-preneurs' couldn't wait to send a small, meaningful gift to Jenna to say we love the new show and more importantly here are some goodies to help out the second time around! What better way to 'spread the word' on our amazing, useful, and trendy products than with a mom and 'TV mom-to-be'. Who knows, she (Elfman) could share these products with the set designers and stylists on the show for her character to use, these are great products that continue to drive the baby & toddler industry, so why not! National Exposure, sure we'll take it!"
